

## COMMUNITY CONSULTATION POLICY

Anchor Resources Limited is committed to consulting with the wider community. We will endeavour to keep the community informed with ongoing activities.

Our aim is to achieve a high standard of community awareness and communication.

The company undertakes to:

- Consult with landowners and stakeholders;
- Identify, discuss and implement positive strategies for community consultation and understanding;
- Respecting and supporting community groups within the community;
- Seek continuous improvement in consulting with the community;
- Identify, monitor and respond to community concerns;
- Conduct all activities in compliance with relevant legislation, licenses and regulation;
- Employing persons with the necessary skills and abilities to occupy vacancies in the workforce; and
- Encouraging the development and training within Anchor to maximize effective communication and social interaction with community.
