### SPECIAL BUSINESS

#### Resolutions 4 (a) to (d)

##### Approval of Options for Directors

Approval of shareholders for the issue of securities to Directors is required under Australian Securities Exchange Listing Rule 10.14. The following information is provided pursuant to Australian Securities Exchange Listing Rules 10.15 and 10.15A.

The Anchor Employee Share Option Plan was adopted by the Board of Anchor on 9 February 2007 in order to grant options to purchase shares in Anchor to its eligible staff, Executive and Non-executive Directors and key consultants (all together defined as 'Employees'). The intention of the Plan is to align as closely as possible the longer term interests of all Employees with those of Anchor's shareholders, by encouraging all Employees to add value to Anchor over time through their demonstrated loyalty and hard work.

## EXPLANATORY NOTES (continued)

---

Anchor's policy is never to grant options in advance of an Employee's performance, but only on an annual basis in recognition of his or her completed contribution to the Company's progress over the previous financial year. In keeping with statutory approved guidelines, Anchor continues to limit the number of options at any time granted under the Anchor Employee Share Option Plan to not more than 5% of the issued capital of the Company (presently 39,984,237 shares).

On 27 September 2010, Anchor's Remuneration Committee met and approved the issue of an offer of 550,000 options to the full range of Employees (excluding Directors) in respect of their performance during fiscal 2010. These four year options are exercisable at any time up until their expiry date of 27 September 2014, at a price of 25 cents, which represents a 61.3% premium over Anchor's closing share price of 15.5 cents on the date of the meeting. These options were then granted on 11 October 2010.

Additionally, it is proposed to grant 850,000 options to the Company's Directors. The options that are proposed to be granted to Directors are on the same terms as those already granted to the other Employees.

Approval is now sought for the issue of a total of 850,000 options on the above terms pursuant to the Anchor Employee Share Option Plan to those Directors of the Company who held office during the year ended 30 June 2010, as set out below. Assuming that these options are approved, they will be issued immediately and the total number of options granted under the Anchor Employee Share Option Plan will remain at less than 5% of Anchor's issued share capital.

The following Directors are proposed to be issued options in the following respective amounts totalling 850,000 options under the Anchor Employee Share Option Plan in respect of the year ended 30 June 2010, subject to shareholder approval:

- Mr John Anderson (Chairman) – 200,000 options
- Mr Trevor Woolfe (Managing Director) – 250,000 options
- Mr Grant Craighead (Executive Director) – 200,000 options
- Mr Gary Fallon (Non-executive Director) – 200,000 options

These options are proposed to be granted to the above Directors immediately following the meeting (such that the issue will not be more than 1 month after the date of the meeting) at which these resolutions are approved, in consideration of their Executive and Non-executive performances during fiscal 2010. The options expire on 27 September 2014 and may be exercised (and shares will be issued) at a price payable by the relevant Director of 25 cents per share. The exercise price is based on a 61.3% premium to the closing share price of 15.5 cents per share on 27 September 2010, being the date the Board approved the issue of the offer.

The intended use of the funds raised on the exercise of these options, is to provide additional working capital to Anchor Resources Limited, and its subsidiaries, and to fund the continuation of exploration activities.

**No Director shall participate in an issue under the Anchor Employee Share Option Plan unless shareholders in general meeting approve the specific issue.**

**It is proposed that the options be granted in recognition of the contribution to the Company by Directors during the financial year ended 30 June 2010 and the ongoing responsibility that they assume for the affairs of the Company. All of the Directors mentioned above are entitled to participate in the Anchor Employee Share Option Plan.**

At the time of writing, the price of the Company's shares is 18 cents compared with the range 12 cents to 24 cents during the previous six months.

Using the Cox Ross Rubenstein (CRR or Binomial) option valuation methodology and assuming a valuation grant date of 12 November 2010, when the underlying share price (at measurement date being, 4 October 2010) is 18 cents, the options have an indicative value of approximately 13.19 cents each.

## EXPLANATORY NOTES (continued)

Currently there are 39,984,237 ordinary shares on issue, and 2,125,000 options. At the date of this notice of meeting there are a total of 1,125,000 options on issue under the Anchor Employee Share Option Plan.
